AMSTERDAM
Location: Q-Park Parking Garage, Central Amsterdam
Architect: MIX Architectuur

Q-Park Europarking building is an impressive car park house in Amsterdam that has been a host to multiple art projects already. A monumental 6-story high car park that is open 24 hours per day provides an impressive view from the rooftop floor over the eccentric city of Amsterdam.

BERLIN
Location: Kraftwerk, East Berlin
Architect: Arno Brandlhuber

In its first life, the Kraftwerk building was used to supply the people of Berlin with heating. Since then, it has been an important and valuable part of the techno scene and is now known to music fans and art enthusiasts alike.
